

November 2021 Prayer Letter

BLESSED

be **his glorious name** for ever: and let the **earth whole** be filled with **his glory**; Amen, and Amen. Ps.72:19

We are **BLESSED** to know HIS glorious name and have the *record in HIS WORD to prove it*. May we be a part of "the whole earth" knowing that truth also! As we come to the Thanksgiving season of the year the word **BLESSED** sums it up best for us.

BLESSED in October to send a sea container full of *Napali, Simte and Thadou* scriptures to northeast India. Thank you to all who helped to make this possible.

BLESSED to be back on the road again to churches here in the states and Canada making them aware of the needs of the unreached of the uttermost and engaging them to help us get the Word of God to them as quickly as possible.

BLESSED to be involved in the production of a New Testament for an *African Nation and two middle eastern languages*.

BLESSED to see firstBible School of Translation in its second year of operation. This is a three year post-graduate school equipping men and women for Bible translation. (www.firstBible.com)

BLESSED to be a part of the Kom NT (\$20,000.00 needed) and the Napali Bible (\$15,000.00 needed) and the Armenian Bible (\$80,000.00 needed). "Let the whole earth be filled with His Glory"
