" But none of these things move me, neither count I my life dear unto myself, so that I might finish my course with Joy, and the ministry, which I have received of the Lord Jesus, to testify the gospel of the grace of God"

Acts 20:24

Greetings from Brazil dear Brethren!

When visiting a maximum-security penitentiary, I was able to visit the segregation area in that prison. There was a young man named Johnson, he was desperate and saying that his life was coming to an end. "I have been here in this prison for 17 years; my life has come to an end." At that moment, I said to him: You are right, your life has just come to an end, Jesus Christ died for you so that you can live! Johnson needs to die with Christ on the Cross so that a new man can be created. By preaching the Gospel of Grace, this Young Man received Christ as Savior. In those dark cells, 3 guys received Jesus Christ as their savior.

Recently we held a State Minas Gerais Campaign, we were in over 15 volunteers and missionaries and preached to a Prison with almost 2,000 inmates. Being there three days and holding more than 15 preaching services, we saw 158 men praying receiving Christ as their Savior! them changed and born

Also, I was able to speak 400 students – "What is students came to thank had meeting with the to 680 students of his experience in the prisons

Our prayer and desire is to see again.

in a Public School, it had about your greatest fear in life". Many me for the theme. Recently I had director asking me also to speak school, he wants me to take the to his students
