Prayer Letter

March 2024

Faithful Friends,

I wanted to give you an update on the work that God has allowed me to do in the prisons of SW Florida.

Prison Work: In the month of February, I went into the three facilities in my area. I worked a total of 59 hours and preached five (5) Sunday main services this month. I had six (6) men that came forward and asked me to help them accept the Lord during the invitation. Praise the Lord.

Correspondence Upper Midwest Bible Institute: In the month of February, I was able to work 180 hours grading 582 lessons and mailed out 496 lessons in the Upper Midwest States. I enrolled 44 new students, mailed twenty-one (21) Bibles, and graduated three (3) students. I print all of our lessons and in the month of February I printed 13,305 pages of lessons, I have 1,326 active students. We had donations of \$1,595.00 and mailing and printing supplies were \$780.48. (Praise the Lord for two churches that sent special offerings for paper and printing cost, thank you for the \$1,100.00)

Classroom Bible Institute: In the month of February, I held eleven (11) in person classroom days. In those meetings I passed out 254 lessons and received 201 lessons for grading. I have a total of 32 students in the DeSoto Correctional Institution and 24 in the Charlotte Correctional Institution. The Lord is using the Bible Institute to teach the men how to read and study the Word of God.

I have some medical test this week, please pray for good results. I am still amazed how much of a need there is here in these facilities. The top issue I deal with is eternal security, the men struggle with this and I find myself teaching about this every week. Thank you for your prayers, support.

(I have printed on the back a note from a student doing our Bible Institute)

Please keep us in your prayers.

Dear Rock of Ages,

~~Michigan~~ "Michigan INMATE"

As always, I was truly blessed by this study on Leviticus! If I am honest, I was kind of dreading this particular study and wasn't all too disappointed that you held off until now to send it. As I am sure you are aware the text is fairly challenging and often confusing, but the slow pace the study requires and the need to jump back and forth between verses in each lesson actually helped greatly. I feel I have a much stronger understanding of a book I've often avoided. It is impossible to miss God's love and such specific care which He has for His people, thank you.

Please know what a blessing these studies are and what an important part of my daily Bible study they are. You have helped shape my faith and for that I can never express my full gratitude. Thank you for your commitment to your faith in Christ which has had such an impact on mine.

Blessings,
