Dear Prayer Partners,

We have come to the end of another year and I thought for sure all Christians would have been out of here by now. It is obvious that Jesus still wants a harvest of souls and He is still using us to get the Gospel message out to the lost.

He is still using BAFM and is opening unusual doors where we can minister and providing gospel material that we can share on the streets with Americans.

The John and Romans newspaper has been a major player in getting the Gospel out at the state fairs this past year in North Dakota and South Dakota. A total of 3,500 people received the Gospel of John and Romans in newspaper format at those two fairs. Please be in prayer for the state fairs in your area in 2015. We would count it a privilege to help you with gospel material if you had folks that would like to evangelize the state fairs in your area.

Our Gospel packets for the Armed Forces has been slower going out this past year because we felt our Lord lead us to the military bases in both the Dakotas. The work at both Air Force bases was very slow yet the truth is we did have the Commander of the Minot AFB receive a Thank You for our FREEDOM picture and gospel packet from the Minot Baptist Church. As we past through Nebraska we did stop for a Sunday morning service at an AFB where the Chaplain actually gave me permission to hand out the packets and plaques at the end of his service. The Chaplain actually stood at the back exit door of the chapel and handed out the packets to the folk as they were leaving. That was one of those Sunday mornings where you know God is all over this day and He is in charge.

This past Veterans Day Appreciation night at the Golden Corral was a positive and a negative. We had 7 Golden Corral Restaurants where I had permission from the managers to set up our tables and minister to the Vets after they enjoyed the meal that was shared with them. Out of the 7 I only had enough Christians to minister at 3 of the restaurants. We had 2 in Albuquerque, NM and one in Rapid City, SD. Also during this week we had a church in Ohio order 1000 Gospel packets for there local AF base. With the 3 Golden Corrals and the church in Ohio we have had the privilege to bless our Saviour and the Veterans with 2,350 gospel packets being shared with the Veterans and 950 Thank You for our FREEDOM pictures from 2 local churches at the Golden Corrals.

With the partnership of Rio Grande Baptist Church of Albarquerque, NM Pastor John Boggs and Pastor Paul Erdos of Grace Baptist church in Black Hawk SD we had a total of 24,850 "little preachers" go out in the matter of 5 hours at three different Golden Corrals. Please be in prayer as I will be meeting with the Public Relations person of Golden Corral and will try and schedule a meeting at the Corporate office of Golden Corral to see what can be done in 2015 for our Saviour at this restaurant chain.

Would you please consider an offering to help replace all this material that was shared just during the last few weeks with our Vets. The 2,350 gospel packets is a total of \$5,875.00 and the pictures that we took of the two local churches with the 950 Thank You for our FREEDOM picture frames was a total of \$1,900.00. All this totaled \$7775.00. If we are still on this earth for Veterans Day 2015 our goal is to have

every Golden Corral covered that is located in a city where there is a military base. We will need your help and we need your help to replace this material. Please any size offering will be a help to order more material.

We love you all and all that have given during this past year you have blessed a few thousand Veterans and there are thousands yet to bless. Thank you for helping us and please keep us in your prayers. We are now in the process of collating another 10,000 packets that our readers have paid for. THANK YOU SO MUCH FOR THIS BLESSING. It is our prayer that you have a wonderful and blessed Christmas season and one that will be debt free when January rolls around, amen.

The VA Hospital has scheduled me for Dec. 17 to get started with my cardiac exams. I covet your prayers for my health.

In Christ,

*Brother Patrick
Psalm 35:27*
