Missionaries to the North American Natives

Dear Pastor & Church,

**FRIEND DAY!** We had heard about other Churches having it but never entered my mind as to us having one. I feared it would be a flop, especially in the winter time. Well, we went ahead and did it anyway. Planned it for about three weeks. The Saturday before the event the weather was terrible. We had plans to feed about 60 people if they came. There was no turning back now. I thought, at least those that did come would have a lot of food to eat. But then the weather changed on Saturday night for the better, thanks be to God! We had 16 visitors and 8 of them were first timers. We were so surprised. We gave all visitors a nice plaque thanking them for being part of our "**Friend Day**". It was truly a successful and blessed day thanks to the Lord! We brought a message on "**What A Friend We Have In Jesus**", then at the end we showed a small video about the author of that song, **Joseph M. Scriven**. Very interesting as we found out that he lived not too far from us here in Canada. You can Google his name and see the history of this old song that we all have in our hymn books.

We are already planning a second event for March. We may call it: "**Bring A Friend Day**". There were many of our friends that did not come the first time. We hope to reach them then.

Let me say that the Lord has warmed our hearts several ways in these cold, windy and snowy days for the last three months. Many miracles have taken place that are too numerous to mention. We believe it has to do with the small group of people from three different Churches here on our Reservation. We started meeting every Saturday evening at 7:00 to pray and discuss the past weeks blessings. It was originally to be just one month, but that all changed when we saw the impact it was making on our people and Churches. Each person took one day a week to pray and fast. God be glorified. It works! We are into our fourth month now. We can't find anywhere to stop. God be Glorified!

Let me say also how the Lord has blessed our Church. We greatly needed a roof for our Church. We certainly could not afford it as we are tight in just keeping the bills paid. The pastor of the Church in Arkansas had asked us back at Christmas if we had any needs. The only thing I could think of was our Church roof. He said to let them know as soon as we could what it would cost. We did and you know what? They sent the whole amount! Glory! We were soooooo surprised and blessed beyond words. Glory, Glory, Glory! God is good....all the time. Now we wait for the snow to melt....be a while.

Thanks for keeping with us as we continue here in Canada. The Church is blessed and all seems well. Melissa is playing our organ now and John is showing signs of what we believe God to be working in his life. We are happy people thanks to your prayers and the LORD!
