**Dear Praying Friends,**

The calendar says we are a few days away from spring time but here in Michigan it sure doesn't look like it! It is snowy and windy and, as a matter of fact, it is colder here than back home in Alaska. My brother Johnathan and I drove down to the lower forty eight last week. During the trip we experienced some extreme winter weather including a blizzard in Saskatchewan, Canada. The winds were blowing at sixty miles per hour and sometimes the visibility was down to a few yards. However, the Lord gave us traveling mercies and we arrived safely. Praise the Lord!

The last few months have been very eventful and very busy. The Lord has really been blessing and it's been exciting to see how the Lord has opened doors.

It has been a real encouragement to us to see the Lord work in the mission work in New Hazelton. It is obvious that He is speaking to people and working in their hearts. We have had a number of new visitors attending over the past few weeks. There was a record attendance at the last service of 41 people. Praise the Lord! Many of these people have never been saved and none of them have ever really been disciplined in sound doctrine. There is

much work to be done but it is a blessing to find people willing to learn and slowly begin to take steps. Please pray that the Lord will continue to work and bind the devil's attempt to hinder what the Lord is doing.

The Lord provided the opportunity for me to go on a ten day mission trip to Israel with my Dad and

another preacher. We had a wonderful trip and had the opportunity to share the Gospel numerous times with lost, hungry people. We were also able to spend some time with a missionary there. Brother L. has been there for ten years and the Lord has used him to get the Gospel in many areas in Israel. What a blessing it was to travel around the nation place the Word in people's hands. We were amazed at how open many of the people were and how thankful they were to receive the literature. Something unusual is happening over there! Pray that the Lord would continue to open the eyes of his chosen people and bless the seed that went forth.

I put together a short video presentation of the village ministry here in Alaska and Canada and am planning on traveling on deputation this spring and on into the summer. The Lord has blessed and I have meetings scheduled in Ohio, Tennessee, North Carolina, South Carolina, Georgia and Florida.

I was given the opportunity to preach and present the ministry this past Sunday. Right before asking me to come to the pulpit, the pastor informed me that the church was going to take me on for support. What an encouraging start to the deputation trail! A big thank you to Faith Baptist Church in MI. You are a real blessing!

May the Lord bless you all as we serve Him together!
