Fall Prayer Letter

November 14, 2023

Dear supporting churches and friends,

As I write this prayer letter it's hard to believe that Thanksgiving is next Thursday! This year has flown by. A busy travel schedule has just made it go by even faster! God has been good to us during this busy year with all the travel and health issues we have been through.

We have just finished our last project for the year this past weekend in Strasburg, Virginia. This year has seen us do projects in Texas, Florida, Tennessee, Michigan, Ohio, Pennsylvania, Virginia, North Carolina, Missouri, Kentucky, and Indiana. God has been so good to us as we have traveled many miles and hours on the road. Also, thank you to all the churches and Christian schools who have partnered with us to get much of God's Word out!

Cameron's blood work finally came back and was the best results we could have hoped for! He tested negative for any of the overgrowth disorders they were checking. The doctors still want him to have blood work and ultrasounds every three months to check for a possible tumor. He will continue these checks until he is 7. Please pray he continues to have clear scans and good blood work!

I want to praise the Lord for how He has provided for us this year. Through churches and some individuals, God has provided for us to eliminate all of our outstanding medical bills which is huge for us! God also saw fit for us to be approved for Medicaid for the boys to take care of future medical bills which is a huge blessing! We are praying for God to continue to provide for our needs moving forward and thank you for your part in meeting those needs through prayer and giving to our family! We look forward to spending holidays with family and preparing for a very busy travel schedule in 2024!

Your missionaries,
Tyler, Shannon, Quinn, and
Cameron Bridges

"He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him."

PSALM 126:6
