Spring Prayer Letter

Dear supporting churches and friends,

It is time to reflect and update you on how ministry has been the past few months. God has been good to us during this stretch as He always is, but it is always a good idea to sit and reflect on it sometimes. I know that it can help me during difficult seasons in life.

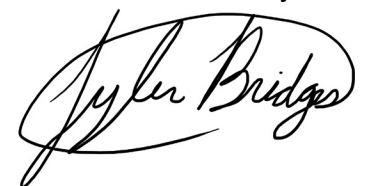

In March, I traveled to churches in Arizona and Ohio. God protected me over many miles flown and driven. My family wasn't always able to travel, and God was good in watching over them while I was gone.

In April, I traveled to a church in Texas and one in Indiana. God allows us to travel all over the country and sometimes we get to add in some fun along the way. In Texas, my family and mom joined me for a project in San Antonio. On the drive home, we were able to stop in Waco, Texas; West Monroe, Louisiana; and Laurel, Mississippi. If you recognize those places, my mom and Shannon are both HGTV fans and Duck Dynasty fans. It was a great family trip we were able to have, and it was a plus to share it with my mom.

In May, I traveled about an hour to a church nearby. It is a blessing sometimes to not have to drive far for a project. We assembled scripture for the Paris Olympics happening this summer. Last week, Quinn graduated from Kindergarten! It's crazy how fast time has gone! We are grateful that in spite of all of the health issues that Quinn has faced, that God has protected him and allowed him to do well in school so far.

God has been good through doctor's appointments as well. Both boys have had several appointments resulting in procedures for both which required anesthesia. Quinn had a dental procedure, and Cameron had to have tubes put in his ears. Both did well and we are thankful to have good doctors nearby. We are looking forward to a slightly slower summer. We have a small break for now then it will pick back up with a big project in June followed by busy travel schedule in July. Thank you for your prayers!

Your missionaries,
Tyler, Shannon, Quinn, and
Cameron Bridges
