

Dear Friends,

May 2024

We pray each one of you are well and encouraged in the goodness of the Lord! We are so thankful for you all and your continued prayers and partnership with us in the ministry. The Lord is working and blessing richly and we are excited about what He has in store for the future.

At the time of the writing of our last prayer letter, we were in Oshkosh Wisconsin, working with the Wings As Eagles Ministry on the Cessna 185 Project. We were there for six weeks and during that time, the Lord blessed and allowed much to be accomplished. The airplane has been disassembled since being shipped back to the states from PNG and there were many things that needed to be repaired and problems addressed before it could be reassembled. We have been able to complete many of these projects and soon, it will be ready to start going back together. As a matter of fact, reassembly of some of the smaller parts began before we left. We are especially thankful for the help of Bro. Terry Rushing and Bro. Dave Borlee who have contributed so much to the project.

After leaving Wisconsin, we had the opportunity to preach sing, and/or present the ministry in several different churches in Ohio and Kentucky. These meetings were a big blessing to us and we trust to others as well. While in Ohio, we were also able to spend a few days with family. It was especially nice to see my Grandma Mary and for our daughter Mary to meet her great grandma.

From there we traveled south to Alabama. My family stayed in Alabama while I continued on to Florida where I spent a few days with Bro. Randy Dorsey, where he and I were able to finish up the final touches on the Cessna 180 before I then flew it back to Alabama. It is a real blessing for this airplane to be up and flying once again after it being down for so long! We are currently wrapping up the annual inspection here in Alabama with the Aero Missions ministry team. This project was a big one but it is a real blessing to have it completed. A big thank you once again to all who had a part!

We are excited about soon being able to use aviation for remote village evangelism work. However, in the mean time, we are looking forward to a full season of evangelism and ministry work in the remote towns and villages accessible by the road system. We are preparing to head North very soon. We are excited about the coming months and ask that you pray with us that the Lord will work in people's hearts, open doors, and bless His word as it goes out. We have many many miles to cover in the next little while and so we also appreciate your prayers for traveling mercies for our family.

It is our prayer that the Lord will continue to bless you as only He can, and grant much fruit to abound to your account.

Sincerely, *Paul & Victoria Bach + Lydia, Joyanna & Mary*

Prayer Requests

- * Ministry Evangelism Outreach this summer.
- * The lost who have recently heard the Gospel
- * Our home church which is currently without a pastor.
- * Airplane Projects for missionary aviation
- * Traveling Mercies
