

December 2017

Dear Friends in the Gospel,

I hope this letter finds you well and rejoicing in the goodness and blessings of the Lord. We do have much to be thankful for! So many do not know the real reason for the season. My Dad and I witnessed to a young native girl recently who literally did not know who God is. She had probably heard His name before, perhaps used as a curse word but she did not know that there is a God who loves her and gave his only begotten Son to die so that she could have life. For her and so many like her, in remote villages all across the north, there is no real reason for the season. Please pray that we may be able to reach them with the wonderful message of the Gospel, while there is still time!

Winter Weather, and the driving conditions that come with it, have arrived here in Alaska!

It has been a blessing to be back up in Alaska, serving the Lord with my family over the last few months. It has been good to be able to assist in the various aspects of the ministry up here, not only with the printing, visitation and preaching but also helping with the many more mundane aspects of keeping a remote village ministry operational. My brothers and I recently replaced the breaks on both of the ministry vans. During the repairs I found another serious problem that needed immediate attention. The ball joints of one van were worn out and needed replacing and the break caliper of the other van also needed replaced. You will never appreciate the convenience of having an auto parts store just up the street until you undertake a major auto repair project with your closest auto parts store 180 miles away! The Lord helped us, however, and we were able to order the parts in and get the vans back on the road.

As I have mentioned before, the Lord has burdened our heart to reach into the city of Terrace, BC. The Lord provided a meeting place in a motel conference room and we have started holding services there. In the few weeks leading up to our first meeting there, our team took several trips to Terrace and placed an invitation and a Gospel tract in almost all of the homes in Terrace, about 3300 homes. When you have a project this big, it definitely takes a team effort! It was great to see everyone working together to spread the Gospel and get the word out. We hope you will pray that the Lord will bless the seed sown and cause it to bear fruit. He is able!

Our ministry team, happy to be involved in the Terrace Campaign, perfect weather too! (almost:)

Before I close, I would like to thank each one of you for your part in making this ministry possible. It is a privilege to be able to serve here in the North and we couldn't do it without your help. I trust you will continue to pray that the Lord would work in a definite way in the hearts of the people up here. We can sow the seeds but only He can prepare the hearts, germinate the seeds and bring forth fruit.

Until next time, I pray you have a very blessed Christmas season and a wonderful new year!

"Unto the praise of His glory." Eph. 1:14

Paul Bach ~ Isaiah 42:12
