## Missionaries to Mongolia

Highlights from March/April/May, 2018

### PROGRESS IN MONGOLIA

A message to bring you up to date with what happened in Mongolia during the spring months. It has been busy, this is a good thing! **Thankful** for God's leading and for much progress.

### Print Shop News

- ❖ 5,000 full-color Good and Evil books completed and ready for distribution.
- ❖ Christians finding their way to the building of Hope to pick up their Gospels of Mark, New Testament Sunday school materials, discipleship books, New Testaments and so much more.
- ❖ Laying out and beginning the printing of the Old Testament Sunday school materials.
- ❖ As you can see, we need to print another run of New Testaments (waiting on corrections praying for our translators).

Garage Bay Door is installed and such a blessing.

*Thank you New York Friends*

Shelving beginning to be installed in warehouse. Praising the Lord for progress!

### Praising The Lord!

The furnace is repaired! It is now up and running. It took several months to bring the temperature back up to a comfortable level. The struggle was real with outside temperatures at -30 degrees and sometimes colder. Thank you faithful friends who responded so quickly to this great need!  
By the way, God not only supplied the needed parts, He has also supplied back up parts. AMEN!

*"Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us,"*

- Ephesians 3:20 -

*And Jabez called on the God of Israel, saying, Oh that thou wouldst bless me indeed, and enlarge my coast, and that thine hand might be with me, and that thou wouldst keep me from evil, that it may not grieve me! And God granted him that which he requested.*

We continued to enjoy sharing God's love weekly through the English speaking class during the school year. Some exciting news we will share in the June/July newsletter.
