DEAR Rock of Ages,

I really enjoyed these lessons. The lesson on Matthew was alot of work and I really enjoyed doing it. It truly gave me a better understanding of God's Word, so thank-you for helping me with that. On the answer sheets I made a few mistakes, please count the circled ones as my correct answers. Also I would like to ask you to please send all of my certificates to my Mother's house. I am not allowed to get certificates here at the [redacted] Correctional Facility. Her name is [redacted], Her address is [redacted] Mills, IN [redacted]. Thank-you so so much for your help with this matter. God Bless you for all that you do for me and all the children of God. I really appreciate this program.

Sincerely, [redacted]
