I recieved your lesson on "Root of Bitterness." I have back slid along way. And I was going through bitterness. My Celly was trying to tell me about it and everything. Then I got this in the mail. I knew right away it was from God. I would love to get back doing the lessons. But I need your help. Can I please be sent the lesson on Luke and assurance? I thank You! God Bless you all. Forgive me of my weakness!

Sincerely
