Adventures of Faith – September 2019

“I rejoice at thy word, as one that findeth great spoil.” – Psalm 119:162

We are in absolute amazement by the way that God has blessed our ministry and our desire to put the Bible into the hands of the Brazilian people. **Again, the Lord has promoted His Word by the way He has provided for and published the Bible.** Originally, we planned to purchase a “used” container. The man that owns the container company in South Carolina called me to share what God wanted him to do to help us get Bibles into Brazil. A NEW container was delivered to our church on August 19th. Also, we spoke to many printing ministries around the country, and only one was willing & able to help provide Portuguese Bibles. That ministry was Bible & Literature Missionary Foundation in Shelbyville, Tennessee. After talking to the director, Bobby Lemmon, **they donated and shipped their entire stock of more than 9,300 Portuguese Bibles** to our ministry. On August 25th the Bibles arrived at our sending church and that morning **a crew from our church helped load the almost 16,000 pounds of Bibles into our new container.** We still have available space inside the container and plan to ship both ministry and personal items that we cannot easily obtain in our region of Brazil.

Since July, we have mainly been in the north. **However, we have updated churches in Arizona, Colorado, Illinois, Indiana, Kentucky, Ohio, Virginia, and Michigan.** Also, we had the opportunity to encourage a young man from our church about serving the Lord. While talking to him at our kitchen table, his girlfriend also received Christ as her Savior!

Also, we will be installing a **Portuguese internet radio station** that can be listened to **throughout the country of Brazil and other Portuguese speaking countries.** This is not easy, as I am putting together all of the content for a daily, 24 hour radio station. It will cost approximately \$300 a month, but this is a very cost effective way to **send daily Scripture reading, preaching, testimonies, and God honoring music to the Portuguese speaking world.**

Lastly, the ticket agency contacted us to inform us that one of the airlines had cancelled many of their flights because of mechanical problems within their fleet. **This cancellation interrupted our return flight to Brazil.** The airlines were not cooperating, since we needed confirmed tickets before we shipped our container. On Sept. 03, after a month of negotiating, **the airline cancelled our tickets.** We were then informed that it could take 4-6 weeks to receive our refund. **Hopefully, we can purchase the tickets again at the same price.**

**Please pray for us as we wait and continue to prepare for our move back to Brazil,
