## The Jones Family

Prayer Letter  
September 2019

Dear Friends,

We just finished our first full month in Florida!! As I set here today writing this letter I would like to thank all the pastor's that have called us to check on us and how we're doing. It appears we have missed the hurricane for the most part. I am still feeling much better with less joint pain and more mobility than ever. I am amazed how the Lord has blessed us!!

In the month of August we mailed 1,245 lessons out to the inmates and enrolled 64 new students into the discipleship study. We had 15 students write in and tell us that while completing their lessons they accepted the Lord Jesus as their personal Saviour!! Praise the Lord. These lessons average 30 pages each so that means we sent roughly 37,350 pages of the Bible institute was mailed into men & women that sit in their cells and work on these lessons. All I can say is "wow".

I am able to work one of our local State prisons and this month I worked a total of 43 hours visiting and holding services. My hope is to have discipleship classes at least once or twice a week. I like mailing the lessons into the prisons but getting to stand in front of the men and teach the Bible is a blessing. The Lord has answered my prayer for allowing me to work in some of the local jails. Since my last prayer letter I have been contacted by 3 jails and should start volunteering in them by the middle of September. Praise the Lord.

Looking back on August, we praise the Lord, a total of 178 hours either grading and spending lessons or volunteering in the prisons. GOD is good, thank you for your part in our ministry and your investment in our work. We could not be fulltime without your prayers and financial support.

Please keep us in your prayers. Thank you for your faithful prayers, support and love.
