Arrived in Ohio

Thank you for your prayers. We have made it back home to our family in Ohio and have already adjusted to the time. Before the first week was out, I received word that Pastoral Intern Rubio baptized a young man at Cross Baptist Church who had recently made a profession of faith. Please be in prayer for Rubio his family as he completes his internship towards becoming a full-time pastor. Lord willing, this time next year we will be reporting that Rubio has faithfully completed the course and is installed as Cross Baptist Church's pastor.

Special Projects for 2024-25

Now that we are stateside, my intention is to help our established church plants raise funds for their property purchases. This is the final major in my ministry to these families, and it is to see them able to serve God full-time and debt-free. Would you pray with me in regard to this need? Cross Baptist Church property is paid in full and is ready for Rubio to use and move into. His family recently moved into the third-floor parsonage, which eliminates a great expense and burden to his family. Pastor Peyton Ling, Pastor Sam Huang, and Pastor Josh Wong are all ordained pastors in the ministry needing properties for their church plants. They were ordained to the ministry during our last term. It has been a great privilege to watch God raise these men up from spiritual darkness through spiritual infancy to Christian soldiers, now church planting on the gospel frontier in Asia. Asia is a ripe field that needs more workers, and God has placed these men in a strategic position to train future generations to preach and plant the Gospel in Asia.

Scheduling Meetings for 2024-25

I am available for scheduling, albeit somewhat limited, as we are a special needs family. Nonetheless, we are ready to share the great things God has done in the last decade of ministry. With your continued support and prayers, we are hopeful and excited to prepare for another term of church planting in Taiwan for another 4 years!
