Prayer Letter

November 2019

Dear Friends,

In October we had another really good month. I had training in two County jails and received my ID badge to be able to do ministry in these two jails. I had a total of eight jail meetings in October and had two saved in my visitation in the cell blocks. I worked three days in my local prison and had four saved there and some really good visits and services.

In October I worked 131 hours in the Bible Institute office grading lessons and sending new lessons into the jails and prisons of the Upper Midwest region. I received 1,062 lessons and mailed 1,237 lessons. We had 53 new students enroll and 10 students that wrote in and told me they accepted the Lord while completing their lessons. We mailed 28 Bibles into the jails and prisons also this month. We have 2,089 active students that we work with and praise the Lord we had 10 students graduate this month from the Bible Institute having completed all 74 lessons!!

So far this year I have mailed 322 Bibles and 10,790 lessons into the jails and prisons in my area. We have had 128 professions of faith. This comes with a cost of \$8,962.60. All provided by the hand of the Lord using God's people to provide. Thank you so much and pray as we reach out to even more inmates in the months to come. Please call me if you have any questions or suggestions.

I printed a copy of a letter I received recently, his name is James and he is a 69 year old inmate that has been in prison for 23 years and will never be released. He accepted the Lord late in life and wants to show others how to be saved. That is our desire to see people saved and then help them reach others for the Lord.

Thank you for your support, prayers and help. I am still feeling good here and we praise the Lord.

Please keep us in your prayers. Thank you for your faithful prayers, support and love.
