BAPTIST CHURCH

Thanks for committing to pray with us this morning from 10:00 - 10:15. I've put together a short prayer list this morning to help guide our thoughts as we pray. This is not the regular church prayer list, if you did not receive that list last night, just email me and I will get it to you.

- Our Church Family: For safety and health, for opportunity to witness
- Our Missionaries:
 - ◇ The Shell family had to return to the states for medical reasons.
 - ◇ The Joseph James family returned to the States because of the coronavirus.
 - ◇ Many missionaries that are on deputation in the U.S. have had all their meetings canceled due to the coronavirus. Pray for the financial needs of these families.
- The Country of Bhutan and the Dzongkha speaking people: While there are hospitals in Bhutan, many people do not have access to them. Please pray that the Lord would protect those people. Please pray that the ground work for the translation of the Bible into Dzongkha would not be hindered by the coronavirus shutdowns.
- The many people in our church that are ill. A few of them are:
 - ◇ Dorothy Rosentreter—Cancer
 - ◇ Conrad Connelly—Leukemia
 - ◇ Wally and Anne Reisinger—Cancer
 - ◇ Peg Humbracht—Surgery Recovery
 - ◇ Rick Deanhofer—Recently moved into a care home
 - ◇ Tamara Douglas—Possible Heart Problems
 - ◇ Pastor Toler—Heart Trouble
 - ◇ Emogene Push—Heart Trouble
- Please pray for the many unsaved family and friends of the church. Let's pray that the Lord will give opportunity to the church to share God's plan of salvation with them.
- Let's pray that the Lord will use this time of isolation and confinement to strengthen and restore our families and relationships.

James 5:16 Confess *your* faults one to another, and pray one for another, that ye may be healed. ***The effectual fervent prayer of a righteous man availeth much.***
