### Prayer Letter

June 2020

*That your faith should not stand in the wisdom of men, but in the power of God.  
I Corinthians 2:5*

Hello from the Jones Family serving with the Rock of Ages Ministries in SW Florida. With the prisons and jails still on lockdown we have been busy sending Bible lessons into the facilities. In May we sent 940 lessons and received 910 for grading. We had 46 new enrollments, we had three (3) students graduate and eight (8) that accepted the Lord. We praise Him for taking care of us and providing the funds to mail the lessons into the prison and jails.

This month I want to highlight some partnerships we have made with local churches. We have 29 students in the Cass County Jail because of the work of volunteers at Hillcrest Baptist Church in Logansport, IN. The church holds services in the jail and they pass out enrollment forms to our Bible Institute. In Gladwin Michigan we have 30 students because of a local church that had a man volunteer there and told the inmates about our Bible Institute. In Plymouth, IN we have 42 students at the Marshall County Jail because of a local pastor that has a heart to reach inmates with the gospel. If you have a local jail or prison ministry out of your church and you would like us to help you with a free Bible Institute please let me know. Many inmates in the jail end up being sentenced to prison and our lessons can follow them and together we can change a life, save a life.

My local State prison chaplain called me this week and said I will be able to return to prison the week of June 15<sup>th</sup>!! Praise the Lord. I have twelve weeks of preaching bottled up! The jails here should follow suit also.

Thank you for your faithfulness in giving and praying for us. I received a letter last week from a student and I have printed it on the back. He starts the letter by saying "I'm not sure who all I should thank" I do, it's you my friends, supporters, pastors and prayer partners. Thank you for everything you do for us.

Please keep us in your prayers.
