

He is Risen!

4/17/2022

We're so glad that you are here today! At Faith you'll find people that love the Lord and his Word. We also have a burden to see the Gospel of Jesus Christ impact our community, country and world. We preach and teach the Bible as the only source for faith and practice. If we haven't yet met, I hope that you will allow me to introduce myself to you today after the service . -Pastor Summers

DZONGKHA BIBLE PROJECT

Faith Baptist Church has prayerfully embarked on a project to translate and provide a Bible to the country of Bhutan in their heart language of Dzongkha. Join us as we pray for the people and the translation project.

Bhutanese pastors Tandin Wangyal and M.B. Thapa were arrested for spreading Christianity in the mostly Buddhist country. Wangyal and his wife have three sons, ages 8, 5 and 2. "I am worried about my wife and my three little sons," he said. "Please pray for me and my family." The two pastors were apprehended after they had reached Khapdani village. The police confiscated Wangyal's laptop hard disk, mobile phone and a movie projector.
