SERVING THE SEAFARERS IN THE PORT OF MOBILE, ALABAMA

February 2024

Dear Brothers and Sisters in Christ,

Thank you so much for the prayers and support that has been given this month towards the ministry here in Mobile. We praise the Lord for His grace and mercy these past couple of weeks.

Well, the wedding day finally arrived and I am now officially married. On February 3rd, 2024, I got to marry Haley Daniel, who is now, Haley Maher. I'm so glad that the Lord brought us together and am looking forward to serving alongside the love of my life.

The wedding day was great, despite the few hiccups that came along with it. I tested positive for Covid two days prior, but, thankfully, I didn't have too bad of the symptoms when we got married. It was a great day, full of excitement and anticipation. One of the blessings of that day was being able to preach the gospel to everyone in attendance. Please continue to pray for the seed that was sown that day and for our family members who are not saved.

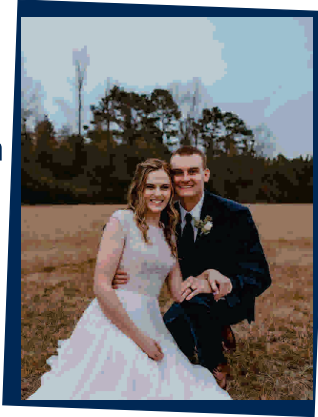

We have hit the ground running after the wedding was over. Moving her things into our new house, setting up a room for a missionary, and all the busyness of our home church's missions conference.

All of that aside, we got to go to the port ministry as a couple which was a blessing. One day we went together with another missionary and Haley got to witness to her first female seafarer named Marina. Please pray for her salvation.

Another blessing that we experienced in February was being able to go to our first church where I got to present the ministry, preach a message, and introduce my wife to the congregation. It was very encouraging to have her with me on the road. Other meetings are scheduled for the month of March. We will be headed to North Alabama, Tennessee, and Kentucky. We'd appreciate your prayers for traveling safety. We have been dealing with sickness and other problems here of late, so please pray for our health as well.

Thank you again for your prayers and support. I hope your February was a blessing like ours was.
