*SERVING THE SEAFARERS IN THE PORT OF MOBILE, ALABAMA*

July 2024

Dear Brothers and Sisters in Christ,

Thank you for your continued prayers and support for the ministry here in Mobile. The Lord has been merciful to us these past several weeks and His grace has proven to be very sufficient once again.

Our church is going on a missions trip here soon to the country of Zimbabwe. Our former pastor Lee Cadenhead is the main one we'll be visiting, along with other missionaries our church supports. Haley and I will go with five others from Ridge Road to see the ministry and try to be help for about a week. Prayers for safety will be greatly appreciated. I will be preaching a couple of times while over there, so prayers for that are definitely needed. I'm looking forward to all the outreaches and evangelistic meetings we'll get to be a part of. Please pray that we will be a blessing to our missionaries.

We still ask you to pray that God would raise up some laborers for the port ministry both here in Mobile, and also throughout the country. There are opportunities to serve at a port in Norfolk, Virginia, Panama City, Florida, and obviously Mobile, Alabama. Please don't stop praying for laborers to join this field.

A very unique thing happened last month while onboard a ship named Jps Afroditi. We had a visitor from Kentucky who was seeing the ministry for the first time as we boarded the ship. We came at a very convenient time when most of the crew was in the mess room for a break. The gift bags we brought were taken before we knew it and there arose an opportunity to speak to most of these men. After giving a brief witness to all who were listening, I could tell some had questions that they wanted to ask. Apparently, there was a man onboard who seemed to be religious, so a lot of questions were thrown his way in the past. One question that they asked was, How can we know that the Bible is true? I think everyone needs to ask that question and, more importantly, find the answer to that question. After explaining that the God who cannot lie, decided to communicate to us through the scripture and that He used human instruments to give us His words, they didn't ask any more questions. When anyone comes to the conclusion that the Bible is in fact, God's word, then there's nothing more to do than just believe it. After this was over, I welcomed any more questions that they might have, gave them a final warning about judgement day, and urged them to trust Christ before it was too late. Please pray for the crew of the Jps Afroditi, that they would receive the word, not as the word of men, but as it is in truth, the word of God.
