SERVING THE SEAFARERS IN THE PORT OF MOBILE, ALABAMA

August 2024

Dear Brothers and Sisters in Christ,

Thank you for your faithfulness to the ministry to the seafarers. We are excited about what God has in store for us on the horizon.

I want to start by thanking those who have prayed for more laborers in the port ministry. Please continue to ask the Lord to send forth laborers into this field to reach mariners with the gospel. There are still workers needed in Norfolk, VA and Mobile, AL. With that said, the Lord has laid it on the heart of Jed Warren to help with the port in Panama City. We are excited to see what the Lord will do through him as he serves in this capacity. Please pray for him and his family as they are raising support for Distribution Ministries and the port ministry in Florida.

We are starting to get things together for the annual Christmas gift bags that we do for the seafarers. The gifts obviously have gospel literature in them along with other things that the seafarers may need and/or appreciate. Please begin to pray for the seed that will be sown in hearts of these men and women that it would bring fruit for His glory.

We have been invited to a missions conference in Oklahoma next month, so your prayers for traveling mercy will be greatly appreciated. We are also attending another meeting here locally in Alabama with other potential meetings in the near future. I'm thankful for the Lord seeing our needs and comes through when we need it most. We are blessed to have several different churches who have sent us love offerings and new churches taking us on for support. We are humbled and grateful for your care for us.

There is one seafarer that I would like to ask you to pray for named Dave. A young Filipino who I had the opportunity to talk to extensively about salvation. After talking about some struggles that he was having with getting physical rest, I turned the conversation towards his spiritual need of eternal rest found in coming to Christ (Matt. 11:28). He listened intently and said that he understood. I didn't see any conviction setting in on Dave, so I just left it with him and got his contact info in case he had a question for me later. Please pray for his salvation and that the Holy Spirit would convict his heart about his need for the Saviour.

Thank you for praying for us concerning the mission trip. We were stirred by the work in Zimbabwe and made more aware of our missionaries needs. There's so much to be done in our Father's field, with so little time. May we finish strong for His glory.

To the seafarers,
